

WALTER W. MORRISON
POTENTATE

Dear Noble:

This is to announce that Aleppo Temple, A. A. O. N. M. S., is entering upon the most active period in its history.

Events of the MOST VITAL IMPORTANCE and SIGNIFICANCE to YOU and YOUR TEMPLE are NOW about to transpire.

NOTHING SHORT OF AN IMPERIAL COUNCIL MEETING will surpass the program now being worked up to the end that Aleppo Temple in points of financial condition, quantity and quality of membership, Shrine spirit, and all other virtues may become PRE-EMINENT not merely locally, but NATIONALLY.

These lofty ideals and ambitions can be realized only by the CONCERTED EFFORT OF EACH AND EVERY NOBLE.

We want to ask you to prepare yourself to make the UTMOST INDIVIDUAL AND COLLECTIVE EFFORT in behalf of Aleppo.

You can begin TODAY by speaking in a casual way about Aleppo Temple to half a dozen of your friends who are not Shriners.

Start a personal publicity campaign in behalf of Aleppo.

TALK IT UP and KEEP IT UP.

We will presently inform you in detail relative to our coming enterprises.

In the meantime:—PREPARE!

GET SET and when the word comes to "GO," "LET'S GO," so that the world will know we are moving.

Yours in the Faith,

Walter W. Morrison

Potentate.

P. S.—Be sure to fill in the enclosed card and return.
